Foreword

Community venues are at the heart of a thriving community, so it is with a mixture of pride and excitement that we have put this booklet together. Pride because the venues in this booklet have come to be and are maintained by the work and dedication of people who see them as important. Excitement because we want to see these rooms, halls and facilities used more and more so that they are sustained and people and businesses and groups in Bangor benefit.

This booklet has been made possible through the Bangor Pride Community Groups Forum. This is an open group which meets to discuss and support community based activities in Bangor, receiving help from Bangor Pride, a partnership of agencies, businesses and groups who wish to see environmental and economic improvements in Bangor. If you want to find out more, visit the Bangor Pride website www.bangorpride.org.uk or contact the Bangor Pride Development Officer at 01248 352421.

With best wishes

BRYAN COLLIS

Chair, Bangor Pride Community Forum

PS The information is also available on the Bangor Pride website, so you can check if any other venues have been added. If your venue has been missed out this time, we are sorry and would ask you to contact us through the website or using the contact details above.
