Bangor Civic Society The Society exists to foster interest in the history of the city and in the preservation and enhancement of its buildings, its gardens and its communal life.

Lectures on varied aspects of the city's history and on current matters of interest and development are given monthly during the winter. In the early summer walks are taken in selected parts of town to increase our appreciation and awareness of its attractions and its problems.

Throughout the year the Committee monitors all planning applications trying to ensure that development and change is attractive, appropriate and wise.

Bangor is an ancient city - the oldest in Gwynedd - but sadly, over the years it has lost much of its historic character. Help us to protect and enhance the living city which remains.

Cymdeithas Ddinesig Bangor Mae'r Cymdeithas mewn bodoliaeth er mwyn diddordeb yn hanes y ddinas ac er mwyn cadw a hyrwyddo ei hadeiladau, ei gerddi, a'i bywyd cymunedol.

Traddodir darlithiau ar amrywiaeth o agweddau ar hanes y ddinas ac ar bynciau o ddiddordeb a datblygiad cyfoes yn ystod y gaeaf. Yn gynnar yn yr haf, trefnir teithiau cerdded i rannau dethol o'r dref er mwyn cynyddu ein gwerthfawrogiadaeth a'n hymwybyddiaeth o'i hatyniadau a'i phroblemau.

Drwy gydol y flwyddyn mae'r Pwyllgor yn cadw golwg ar bob cais a wneir am gynllunio, gan geisio sicrhau fod y datblygiadau a'r newid yn ddeniadol, yn addas ac y ddoeth.

Dinas hynafol yw Bangor - yr hynaf yng Ngwynedd - ond gwaetha'r modd, dros y blynyddoedd mae hi wedi colli gryn dipyn o'i chymeriad hanesyddol. Rhowch gymorth inni felly i amddifyn ac i hywyddo'r ddinas fyw sydd yn aros o hyd.
